**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a software engineer that works at home. I rely on my local Internet provider to provide fast, reliable service on the fiber network they rolled out in my area. I get twice the speed at half the cost of my previous cable Internet provider. This is why free enterprise competition is working for me.
